

ME65 Pistol Grip Quick Start Guide

Overview

Front

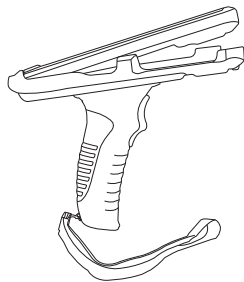

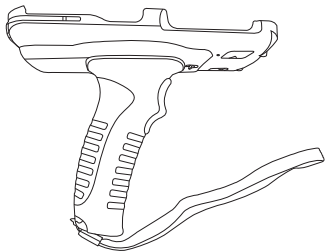

Side

Instruction manual

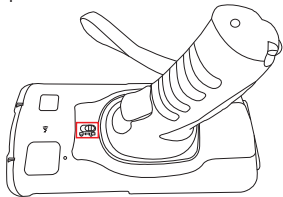

a) ME65 Pistol Grip Hand Strap installation:

Put the Pistol Grip Hand Strap string through the hole at the end of the Pistol Grip to complete the Pistol Grip Hand Strap installation.

b) ME65 Pistol Grip installation:

Push the switch lock at the switch on the back of the Pistol Grip to the unlocked state, insert the device diagonally into the Pistol Grip, and then push the switch lock at the switch on the back of the Pistol Grip to the locked state, in order to fix the ME65 device and the Pistol Grip together. Press the red button on the Pistol Grip Strap to scan. The ME65 Pistol Grip brings us certain practical and convenient functions.

c) ME65 Pistol Grip disassembly:

Push the switch lock at the switch on the back of the Pistol Grip to the unlocked state, take out the ME65 device, and the disassembly is completed.
